
Context Line

This statement must remain correct under post-incident, adversarial review.

Adversarial Assumptions

- Assume good faith
 - Assume competence
 - Assume no malice
 - Assume success of outcomes
 - Assume retrospective scrutiny
-

The Core Sentence

Clarity™ removes ambiguity around ownership by binding accountability to risk awareness rather than role or approval.

Failure Test

This statement fails only if the system itself is false.

Exclusions

- human judgment
 - motivation
 - awareness
 - compliance
 - outcomes
-
